Newsletter September 2016 Issue

We hope that you all had a wonderful sunny, summer break, and that your children are enjoying the start of their final year in their nurseries and other early years settings before they start school.

September Parent Open Events

As the leadership team of Athena, we have thoroughly enjoyed meeting all the local parents who want to find out about Athena Primary Academy. We would like to sincerely thank all those that attended, and we hope that all your questions about admissions, the building and the curriculum were answered. It was great to hear all the parents' views about what a great school should look like and what is important for their children.

Athena Primary Academy Website

Don't forget to check out our website for the latest information and updates. Here, you can read more about our ethos and values, as well as view important information about policies, leadership, the curriculum and admissions. If you want to find out more about our academy trust, REAch2, then this is also the place to go: you can even listen to our REAch2 song!

Admissions

The admissions window is now open for children starting Reception in September 2017. On our website, you can find out more and download our admissions application form and factsheet. Applications for Athena Primary Academy close on January 15th 2017. Don't miss out on a place! [Click here to apply!](#)

The Designing and Building Process

At the moment, we are putting the finishing touches to the design of our state-of-the-art building. Subject to planning, we will have a magnificent, spacious, 21st century learning space, with a two-story open library, specialist halls for dance and science, and the latest technological infrastructure. The grounds will be truly amazing, with dedicated grassed sports pitches, safe pedestrian zones and a wildlife/vegetable garden.

Forthcoming Events

Our next event is at our sister school, **Chapel End Junior Academy** (www.chapelendacademy.org), on **20th October, 9-10.30am**. Here, you will be able to really get a feel for the REAch2 family ethos, and see some exceptional learning environments. Come and watch an assembly, and talk to the children!
